From (Name) Dr. R. Sundara Raj, M.A., Ph.D.,

(Designation) Director of Fisheries,

To The Secretary to the Government of Madras,

Through Development Department.

The Accountant-General, Madras.

Sir,

On 19th June 1929 when the Inspector of Fisheries Mangalore, visited the Hoode Fisheries School, he found that some of the children attended the school almost naked as they were too poor to purchase cloths. He supplied six sets of shirts and shorts made of cheap cloth the total cost amounting to Rs. 5-10-0. When sanction for the expenditure was applied for it was pointed out to the Inspector that supplying dress was not allowed by the rules. In view of the fact that the Inspector has already incurred the expenditure I have

the honour to enquire whether Government will be pleased to sanction the expenditure as a special case. The Inspector will be warned that he should not incur such items of expenditure in future.

2. The expenditure can be met from the appropriation of Rs.3000/- made in the current year's budget under viii Schools for Fishermen Noncontract contingencies-Voted-Miscellaneous."

I have the honour to be,

Sir,

Your most obedient servant,

B. Sivaram

Director of Fisheries.

Please see the D.F's letter in the CF. The expenditure incurred by the Inspector of Fisheries, Mangalore on account of the dress of the fisher-children in Hoode school is rather unusual and is not covered by any rule. The amount incurred is only Rs 5-10-0. The Inspector may perhaps be asked to meet this expenditure. If however this is considered unnecessary, a draft order is submitted for approval

The govt may agree to bear the expenditure.

The case is unusual but I think the expenditure may be sanctioned & the D.F told that it is not to be considered a precedent. SRR 12/9
